

**NOTICE OF PUBLIC COMMENT PERIOD**  
**INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**  
**PUBLIC PARTICIPATION IN REVIEW OF**  
**CONCENTATED ANIMAL FEEDING OPERATION**

**Introduction**

On June 18, 2010, the Indiana Department of Environmental Management (IDEM) received a National Pollutant Discharge Elimination System (NPDES) permit application for a Concentrated Animal Feeding Operation (CAFO) from Dominique Hulsbosch, of Hulsbosch Dairy, LLC in Decatur County. The application was submitted to comply with both the NPDES CAFO Permit Rule and the Indiana Confined Feeding Control Law. Notice is hereby given that IDEM is opening a comment period on the draft individual permit.

**Application Details**

The Hulsbosch Dairy facility is an existing dairy operation consisting of three confinement barns confining a total of 2,420 cows, manure/process wastewater storage structures, milk parlor, holding barn and offices. A submitted application details an expansion to the operation to construct calf hut confinement area and an additional manure/ process wastewater storage lagoon to confine a total of 2,420 dairy cows and 40 dairy calves.

The facility must be constructed and operated in accordance with the Concentrated Animal Feeding Operation Rule's (327 IAC 5-4-3 and 327 IAC 15-15) and Indiana's Confined Feeding Operation Rule (327 IAC 16).

**Public Review and Comment**

The draft permit is available for review on IDEM's agency's web site at: <http://www.IN.gov/idem>, in our virtual file cabinet section of the online services. Search under the document search feature followed by CFO/CAFO program type and finally by the farm identification number 6415, for Hulsbosch Dairy, LLC. You may also review a hard copy of the application and supporting documents in IDEM's public file room on the 12<sup>th</sup> floor of the Indiana Government Center-North, 100 North Senate Avenue, Indianapolis Indiana 46204, during normal working hours; by scheduling an appointment with the project manager.

Comments should be technical comments, which addresses compliance with 327 IAC 5-4-3, 327 and IAC 15-15. Citizens should be reminded that some issues (odor, potential devalued property, and traffic concerns) are not within IDEM's jurisdiction. Rather, they are local zoning issues. Persons presenting comments are requested to submit one written copy of the comment and submit it to IDEM within 30 days after the publication of this notice to:

Daniel J Bruggen  
IDEM- OLQ  
Solid Waste Permits Section  
100 North Senate Avenue  
MC 65-45, IGCN 1154  
Indianapolis, IN 46204-2251

Concerns will be summarized and a document will be drafted in which a response will be given for each concern. A copy of the responsiveness summary will be mailed to each person who submits written comment if a complete, legible address is provided to IDEM with the comment.
